Events at the Manor

The historic Church Point Manor is an 1860's farmhouse that was sumptuously restored and converted into a charming event venue. From hosting quick photoshoots to renting out the whole property to President Obama and his entire secret service detail, the Manor has done it all! We include our event amenities for free (tables, chairs, etc.), and we encourage you to decorate your event space to truly make it your own.

The Carriage House

Comfortably hosts 25 - 40

The Carriage House is a lovely 1,700 sq. ft cottage with three bedrooms, each with its own en-suite bathroom. The front door opens to an intimate and cozy foyer and dining area and continues into an expansive living room with a wood-burning fireplace. Three arched carriage doors open to the outside, allowing guests to enjoy a truly magical indoor-outdoor space.

(Add \$400 to the rental fee for Carriage House access)

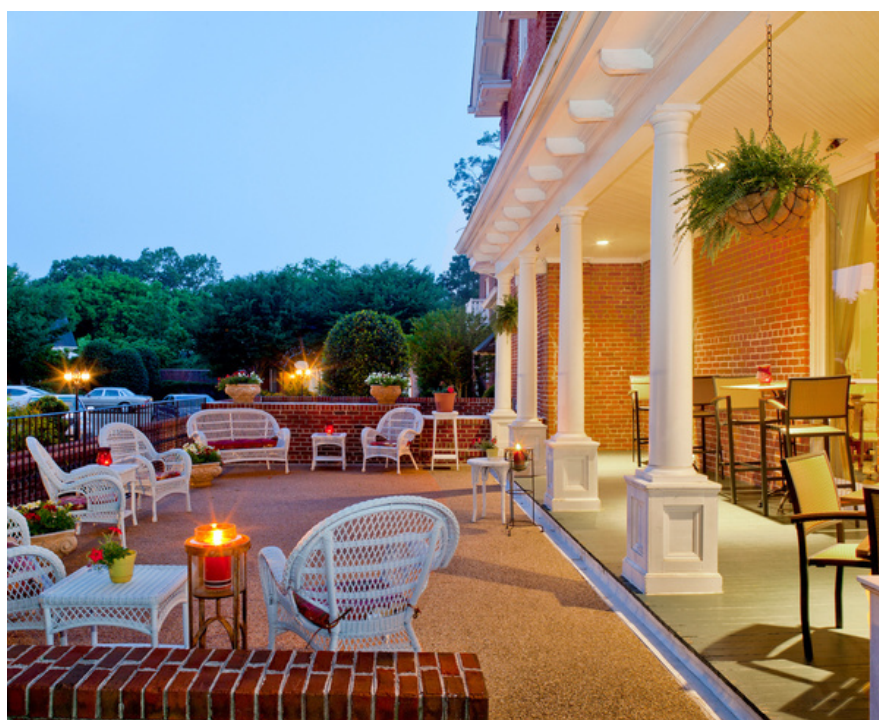

The Veranda & Lawns

Comfortably hosts up to 75

Entertain your guests on the original 1860s front porch of the Manor. The Veranda is surrounded by the Manor's lush gardens and spills out

into the grass lawns for extra event space if needed. The Veranda is perfectly suited for summer weather as it's warmed by the morning sun but cooled by the afternoon shade.

The Cellars

Comfortably hosts 75

Nestled in the original 1860s cellars of the Manor, we host the oldest dining lounge in Virginia Beach. The space previously held the famous Cellars restaurant, which ranked as the #1 restaurant in Virginia in 2015.

With 4 fireplaces, a 1920s billiards table, & numerous lounge couches and dining areas, The Cellars is a beautiful Victorian event space.
